

# Clark County Overview

---

- Clark County is the largest and most complex governmental agency in the State because it provides both REGIONAL and TOWN (municipal) services.
- REGIONAL SERVICES are provided to all residents within Clark County – including those who live within the cities of Boulder, Henderson, Las Vegas, Mesquite and NLV.
- TOWN (Municipal) SERVICES are provided to those residents who live ONLY in unincorporated Clark County. These are services similarly provided by incorporated cities of Boulder, Henderson, Las Vegas, Mesquite & NLV.

# Clark County Overview

July 1 2014 Clark County Population: 2,035,736 – 71.6% of State population

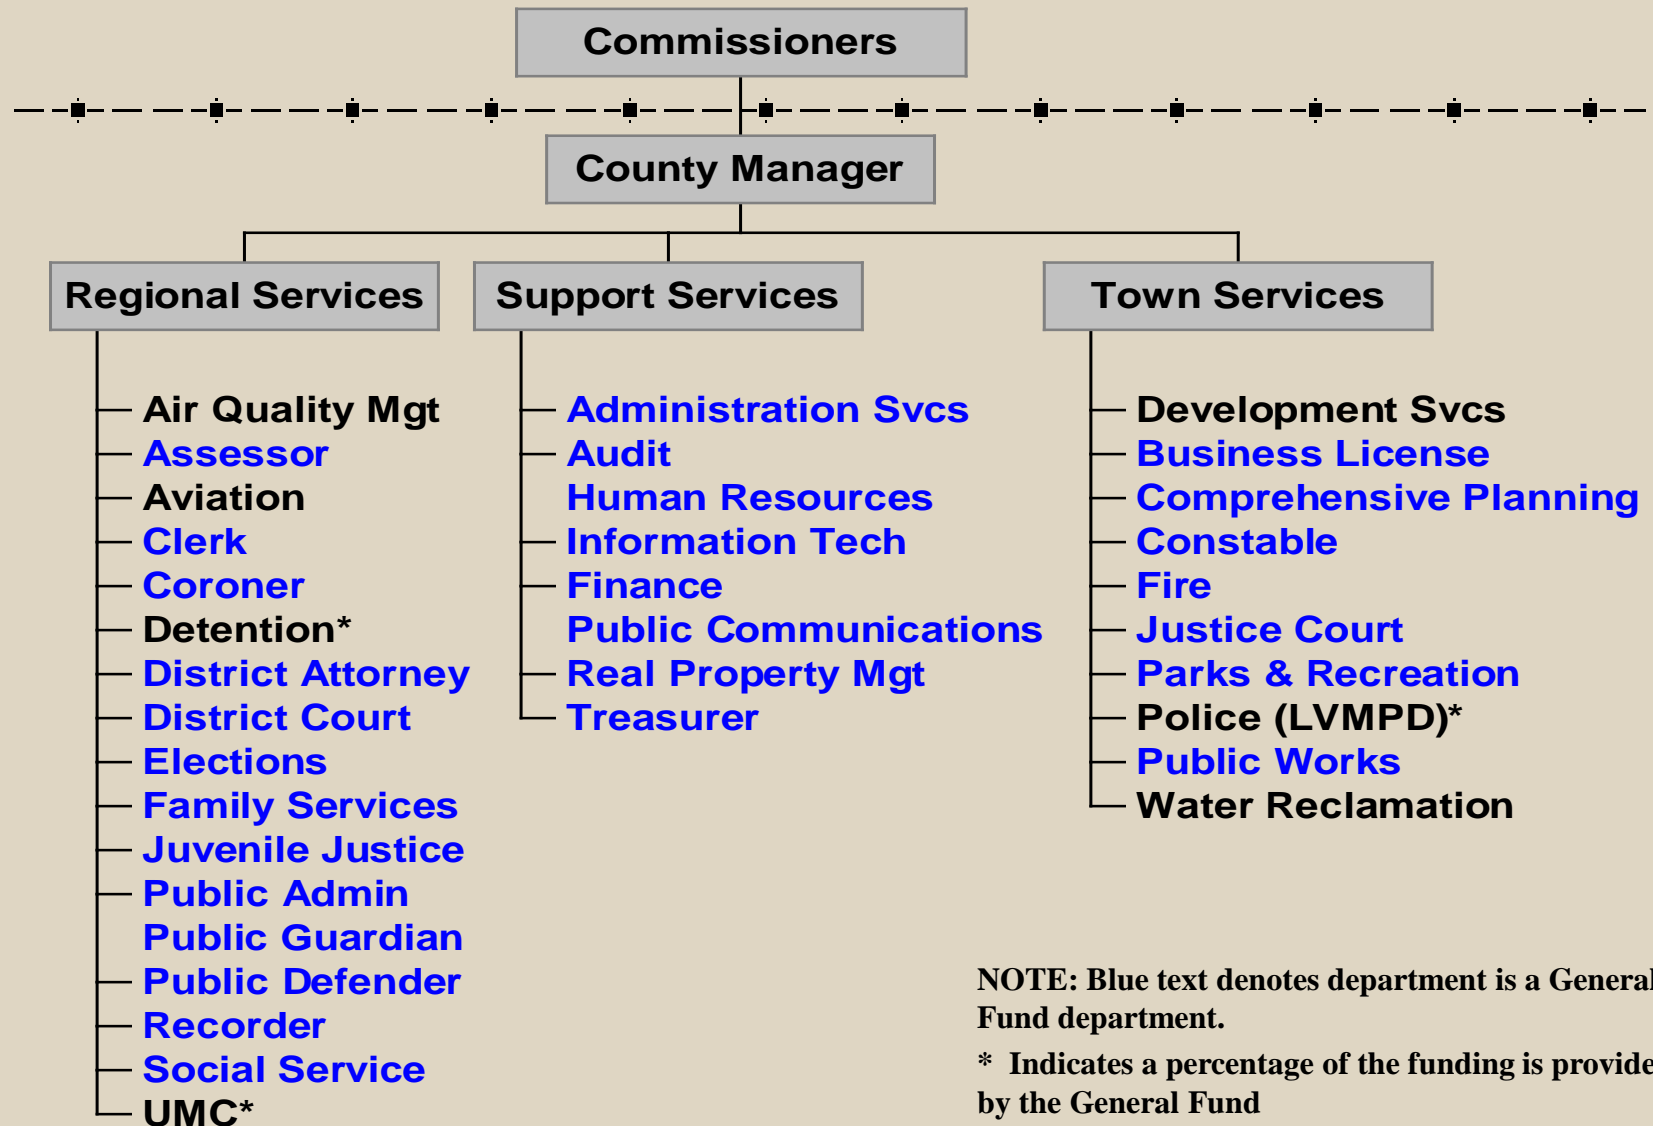

By Jurisdiction	Population	% of Total Clark County Population
City of Boulder	15,627	0.77%
City of Henderson	280,928	13.80%
City of Las Vegas	610,637	30.00%
City of Mesquite	18,262	0.90%
City of North Las Vegas	230,491	11.32%
